

## Going on Vacation: Safety of your Home {Apartment Edition}

### 要去旅行：如何保護好你的家 {公寓版}

Amy Wu 吳宛津

Travelling is a hobby that many people like to do during the summer time. It may be from an overnight trip to a month long vacation to a foreign country. The following are some precaution that residents of apartments should be aware of prior to their vacation:

- 1) Let your building manager know that you will be away. Inform your TRUSTED neighbour/friend/family who lives in the same building as you. If you do not have a trustworthy friend in the same complex as you, let someone else (who does not live in the same apartment as you). The keyword is TRUST. Let them know when and where you are going and when you are planning to return. Let them know your contact information in case they need to reach you.
- 2) Set up automatic lights and make sure your door and windows are closed and locked securely (regardless what level you are on)
- 3) Set up your alarm system and inform your company that you will be going away and when you anticipate to return
- 4) If you will be away for a long time, let a trusted person pick up your mail

對於很多人來說，特別是在夏天的時候，都喜歡出外旅遊。有可能是在當地的兩天一夜的旅行到一個月長的國外旅行，還是要注意以下事項：

第一，讓你的大廈經理知道你會不在家。讓你信任和同大廈的鄰居/朋友/家人知道。如果你沒有可以信任的鄰居，朋友，或家人跟你在同一個大廈，你可以選者跟不同大廈的人講。重點是要是你信任的。讓你信任的人知道你什麼時候會不在家，什麼時候會回來，什麼方式能夠連絡上你等等。

第二，設定好自動開關的燈。確定你的窗戶和門都有鎖好。(高樓層不排除)。

第三，設定好警報系統然後讓你的警報公司知道你會什麼時候不在家和什麼時候回家。

第四，如果你會外出很長的時間，讓你信任的人幫你取信件。
